

app Gold All-Purpose Cleaner User Manual

This manual serves as a guide for the safe and effective use of *app GOLD*. By using *app GOLD* correctly, you will achieve the best results.

1. Kitchen and Household Cleaning

Kitchen Surfaces and Cabinets

- **Dosage:** Dilute *app GOLD* at a ratio of 1:5 with water.
- **Application:** Spray the solution onto surfaces, wipe with a microfiber cloth, and polish dry.
- **Note:** Remove food items before cleaning.

Burnt Pots and Pans

- **Dosage:** Apply *app GOLD* undiluted.
- **Application:** Slightly warm the area, spray the solution onto the warm surface, and clean with a sponge or suitable brush. Exercise caution on hot surfaces.
- **Note:** Repeat the process if necessary or for stubborn stains.

Oven and Grill

- **Dosage:** Apply *app GOLD* undiluted.
- **Application:** Preheat the oven to 50 °C and turn it off. After cooling to a safe temperature, spray the solution onto the interior surfaces and wipe with a sponge.
- **Note:** Clean grill racks separately. For stubborn crusts, repeat the process or extend the contact time.

Refrigerator and Household Appliances

- **Dosage:** For intensive cleaning, apply *app GOLD* undiluted; for regular cleaning, dilute *app GOLD* at a ratio of 1:5 with water.
- **Application:** Spray the solution onto exterior surfaces and wipe with a microfiber cloth.
- **Safety Note:** Disconnect the appliance from the power supply before cleaning.
- **Note:** Do not spray onto displays.

Sink

- **Dosage:** Apply *app GOLD* undiluted for lime scale deposits; otherwise, dilute *app GOLD* at a ratio of 1:5.
- **Application:** Apply the solution and wipe with a microfiber cloth.
- **Note:** For stubborn lime scale, extend the contact time or repeat the process.

Dishwasher

- **Dosage:** Apply *app GOLD* undiluted.
- **Application:** Remove parts, spray the solution onto interior surfaces, use a brush, and rinse.
- **Safety Note:** Disconnect the dishwasher from the power supply before cleaning.
- **Note:** Regular cleaning extends the lifespan.

Washing Machine

- **Dosage:** Apply *app GOLD* undiluted.
- **Application:** Spray the solution onto rubber seals and detergent drawer, wipe off. For deep cleaning, add 100 ml of *app GOLD* into the drum and run empty at 60 °C.
- **Note:** Removes deposits and odors. After cleaning, leave the door and detergent drawer open to allow drying and prevent mold growth.

2. Sanitary and Bathroom Cleaning

Bathtub, Shower Cabin, and Fittings

- **Dosage:** Apply *app GOLD* undiluted.
- **Application:** Spray the solution onto lime scale deposits, scrub with a sponge, and rinse.

- **Note:** Regular cleaning enhances the beading effect. For stubborn lime scale, extend the contact time up to 5 minutes but do not let it dry.

Washbasin and Toilet

- **Dosage:** Apply *app GOLD* undiluted.
 - **Application:** Spray the solution onto rust and lime stains, wipe with a damp microfiber cloth.
 - **Safety Note:** Wear appropriate gloves when cleaning the toilet.
 - **Note:** *app GOLD* does not remove burn or chemical stains.
-

3. Floor and Surface Cleaning

Floors (Tiles, Laminate, Parquet, etc.)

- **Dosage:** Dilute *app GOLD* at a ratio of 1:10 with water.
- **Application:** Wipe damp-mopped; for stubborn stains, use *app GOLD* undiluted.
- **Note:** Suitable for various floor coverings. For sensitive floors like parquet, avoid excessive moisture to prevent damage.

Glass Surfaces

- **Dosage:** Dilute *app GOLD* at a ratio of 1:10 with water.
- **Application:** Spray the solution onto glass, wipe with a microfiber cloth.
- **Note:** Adhere to the dosage to avoid streaks. For a streak-free shine, polish with a dry, lint-free cloth.

Walls and Ceilings

- **Dosage:** Dilute *app GOLD* at a ratio of 1:15 with water.
- **Application:** Apply the solution to soiled areas with a sponge, wipe off.
- **Note:** Test on an inconspicuous area first to avoid color changes.

PVC Surfaces

- **Dosage:** Apply *app GOLD* undiluted.
- **Application:** Apply the solution, gently clean with a sponge if necessary, and rinse.

- **Note:** UV damage cannot be removed. Do not use on painted or sensitive plastic surfaces without prior testing.

Garbage Can Cleaning

- **Dosage:** Apply *app GOLD* undiluted.
 - **Application:** Spray *app GOLD* onto interior and exterior surfaces, wipe with a brush or cloth, and rinse.
 - **Note:** Prevents odors, fruit flies, and maggot formation. Regular cleaning prevents stubborn soiling.
-

4. Special Cleaning (Textiles, Leather, etc.)

Carpets and Upholstery

- **Dosage:** Apply *app GOLD* undiluted.
- **Application:** Spray the solution onto stains, gently work in with a soft brush or microfiber cloth, dab, and let dry.
- **Note:** Test for colorfastness beforehand. *app GOLD* is not suitable for wool carpets.

Fabric Sofas and Couches

- **Dosage:** Apply *app GOLD* undiluted.
- **Application:** Remove dirt with a clean cloth, spray stains with the solution, and gently dab with a damp cloth. Repeat if necessary.
- **Note:** Test on an inconspicuous area first. For stubborn stains, allow a contact time of 1–2 minutes but do not let it dry.

Garments

- **Dosage:** Apply *app GOLD* undiluted.
- **Application:** Treat stains, dab off or place immediately in the washing machine.
- **Note:** Treat quickly for best results. Not suitable for delicate fabrics like silk or wool.

Leather (including Faux Leather)

- **Dosage:** Dilute *app GOLD* at a ratio of 1:3 with water.

- **Application:** Spray the solution onto leather, gently work in with a microfiber cloth, let dry.
- **Note:** Faux leather may discolor. After cleaning, apply a leather care product to keep the material supple.

Pet Stains and Odor Removal

- **Dosage:** Apply *app GOLD* undiluted.
 - **Application:** Spray the solution onto stains, wipe with a microfiber cloth.
 - **Note:** Reliably removes urine stains and odors. For strong odors, repeat application and allow a short contact time.
-

5. Vehicles and Sports Equipment

Vehicle Interior Cleaning

- **Dosage:** For general cleaning, dilute *app GOLD* at a ratio of 1:10 with water; for stubborn dirt, apply *app GOLD* undiluted.
- **Application:** Spray the solution onto soiled areas, wipe with a microfiber cloth.
- **Note:** Test on faux leather surfaces in an inconspicuous area first. Do not use on sensitive surfaces like touchscreens or polished wood trims.

Fitness Equipment

- **Dosage:** For general cleaning, dilute *app GOLD* at a ratio of 1:10 with water; for intensive cleaning, use *app GOLD* undiluted.
- **Application:** Spray onto equipment, wipe with a microfiber cloth.
- **Note:** Do not spray onto displays. Use appropriate disinfectants after cleaning for hygiene.

Toys

- **Dosage:** Apply *app GOLD* undiluted.
 - **Application:** Spray onto toys, wipe with a microfiber cloth.
 - **Note:** No rinsing required. Suitable for plastic toys; check compatibility on delicate materials beforehand.
-

Storage:

Store *app GOLD* in a cool, dry place. Protect the product from direct sunlight.

Safety Note: Keep out of reach of children.
